MINUTE ORDER

Page 1 of 1

AUSTIN District

In the City of Kyle, Hays County, on I-35, the State of Texas acquired an easement interest in certain land by an instrument recorded in Volume 177, at Page 589, of the Deed Records of Hays County, Texas.

A portion of the easement, which portion encumbers the real property described in Exhibit A (tract), is no longer needed for a state highway purpose.

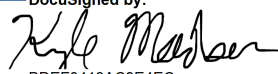

In accordance with V.T.C.A., Transportation Code, Chapter 202, Subchapter B, the Texas Transportation Commission (commission) may release an easement interest no longer needed for a state highway purpose to the owner of the fee in the property.

I35 Kyle Crossing Lot 10, Ltd., a Texas limited partnership, is the owner of the fee interest in the property and has requested to purchase the easement interest for \$62,690.81.

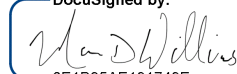

The commission finds \$62,690.81 to be a fair and reasonable value of the state's right, title, and interest in the easement interest.

IT IS THEREFORE ORDERED by the commission that the easement interest encumbering the tract, described in Exhibit A, is no longer needed for a state highway purpose. The commission recommends, subject to approval by the attorney general, that the governor of Texas execute a proper instrument conveying all of the state's right, title, and interest in the easement interest to I35 Kyle Crossing Lot 10, Ltd., a Texas limited partnership, for \$62,690.81.
